

## 3-Amino-2-oxazolidine (AOZ)-HRP Conjugate

Catalog Number: 50006

Unit Size: 1 mg

### Product Details

---

Storage Conditions	Freeze (< -15 °C)
Expiration Date	12 months upon receiving

### Chemical Properties

---

Appearance	Liquid
Molecular Weight	N/A
Soluble In	N/A

### Spectral Properties

---

Excitation Wavelength	N/A
Emission Wavelength	N/A

### Applications

---

3-Amino-2-oxazolidine (AOZ)-HRP conjugate is used for developing an ELISA assay for quantifying 3-Amino-2-oxazolidine (AOZ). 3-Amino-2-oxazolidine (AOZ)-HRP conjugate has minimal number of 3-Amino-2-oxazolidine (AOZ) molecules on each HRP to maximize its assay sensitivity.
